Warning Statements

Prior to the installation of this product, these installation instructions must be read and completely understood. Keep these installation instructions in an easily accessible location for future reference.

Proper installation procedure by a qualified service technician must be followed, as outlined in these installation instructions. Failure to do so could result in property damage, serious personal injury, or even death.

Safety measures must be practiced at all times during the assembly of this product. Use proper safety equipment and tools for the assembly procedure to prevent personal injury.

Premier Mounts does not warrant against damage caused by the use of any Premier Mounts product for purposes other than those for which it was designed or damage caused by unauthorized attachments or modifications, and is not responsible for any damages, claims, demands, suits, actions or causes of action of whatever kind resulting from, arising out of or in any manner relating to any such use, attachments or modifications.

At least two qualified people should perform the assembly procedure. Personal injury and/or property damage can result from dropping or mishandling your electronic equipment.

Be aware of the mounting environment. If drilling and/or cutting into the mounting surface, always make sure that there are no electrical wires on the floor. Cutting or drilling into an electrical line may cause serious personal injury.

Do not install on a structure that is prone to vibration, movement or chance of impact. Failure to do so could result in damage to the flat-panel and/or damage to the mounting surface.

This product is intended for indoor use only. Use of this product outdoors could lead to product failure and/or serious personal injury.

Do not install near sources of high heat. Do not install on a structure that is prone to vibration, movement or chance of impact.

#2 Phillips Tip Screwdriver	Ladder
 Tape Measure	 Level

Parts List

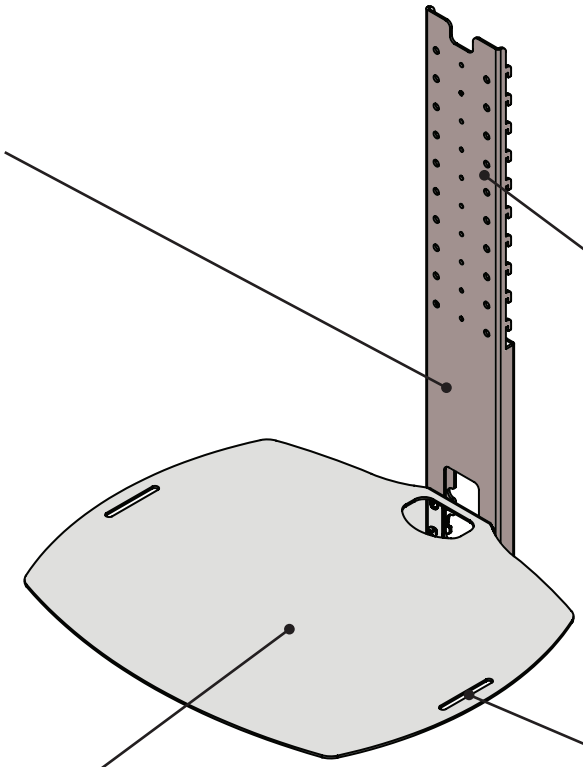
Make sure your Premier Mounts product has the following hardware and components before beginning installation. If there are parts missing and/or damaged, stop the installation and call Premier Mounts at (800) 368-9700.

SHLF-EQ Hardware

 Large Shelf (Qty 1)	 Large Shelf Adjustable Bracket (Qty 1)	Equipment Strap (Qty 1)	M6 x 8mm Pan Combo Screw (Qty 4)
M6 x 12mm Set Screw (Qty 1)	 M3 Allen Wrench (Qty 1)		

Features

The Single Equipment Shelf for Low Profile Flat-Panel Mounts (SHLF-EQ) is a versatile shelving system designed for Premier Mounts' P-Series mounts, one of the thinnest low profile flat-panel mounts on the market. The SHLF-EQ is the perfect solution for "daisy-chaining" A/V equipment and/or computers below the flat-panel display.



Simple Cable Management

The ultra-low profile barcket manages cables to improve the appearance of the display and equipment.

Ultra-Thin Brackets

Hook into the wall plate of a P-Series flat-panel mount to accomodate any common flat-panel size.

Security Strap Slots

Slots in the sides of the A/V shelves are designed for attaching straps to the equipment, if needed.

Daisy Chain

Attach additional large equipment shelves (SHLF-XE) (sold separately) by "daisy-chaining" them from the lowest equipment shelf.

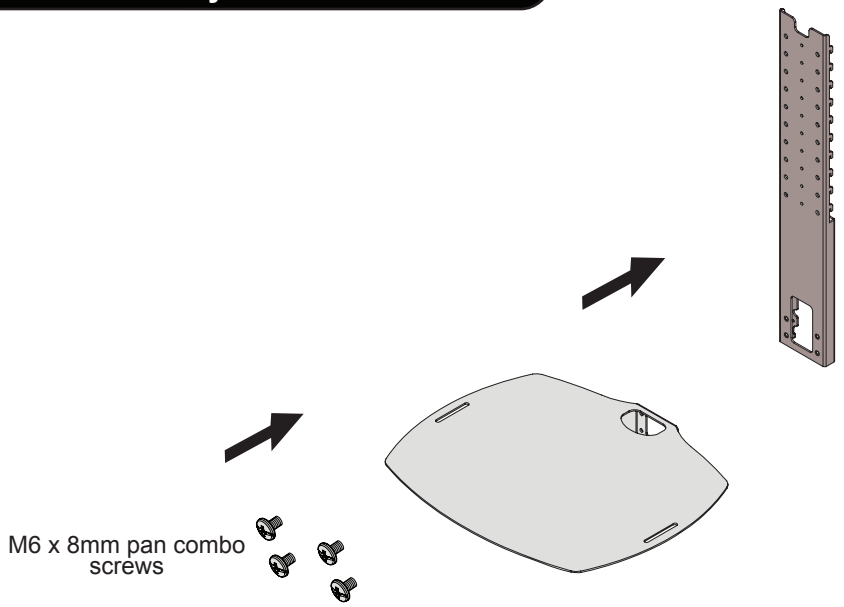
Installing the SHLF-EQ

Introduction

The SHLF-EQ single equipment shelf is designed to easily hook into Premier Mounts' P-Series mounts. It permits the user to adjust the shelf in 10 increments of 1.3". Combine additional A/V shelf components in different configurations depending on your needs. Additional shelves (SHLF-VE, SHLF-VC, SHLF-XE) are not included.

Please read through the safety instructions before installation. The P-Series mount must be attached to the wall without the flat-panel before installing the SHLF-EQ.

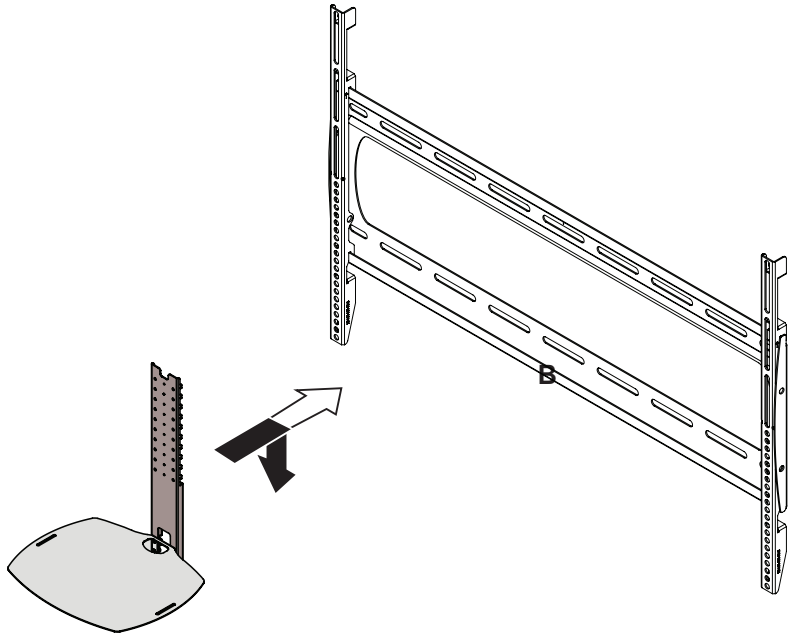
Large Shelf Assembly



Use four (4) M6 x 8mm pan combo screws to fasten the large shelf to the large shelf adjustable bracket.

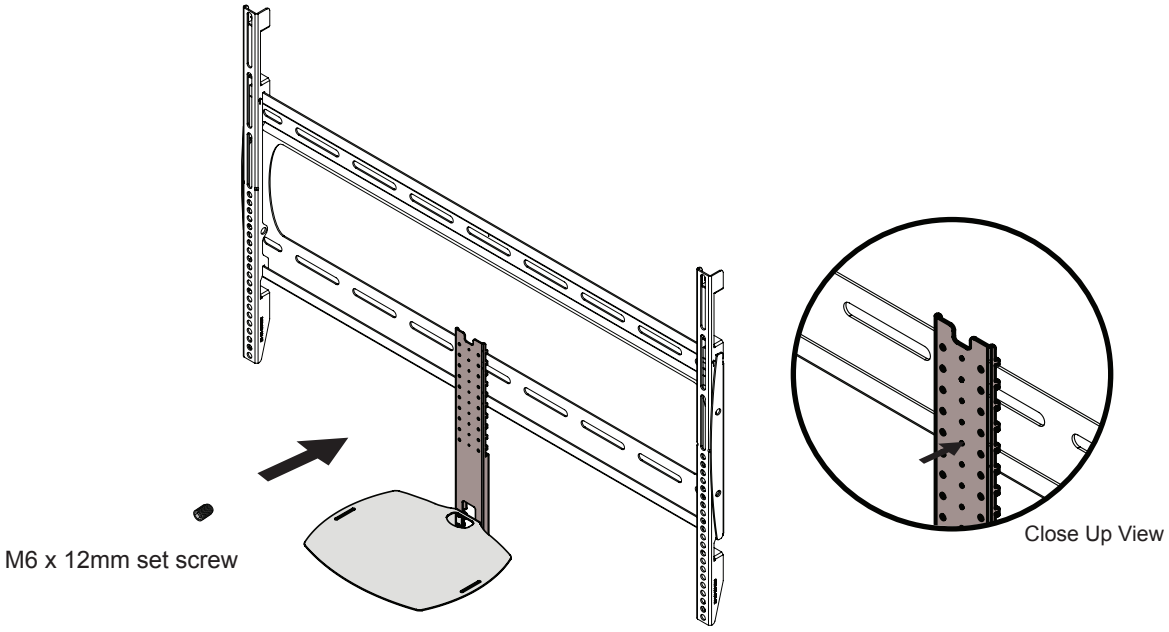
Attaching the Large Shelf Assembly to a P-Series Mount

Step 1



Hook the large shelf assembly at the desired height into the lower flange (**B**) of the P-Series mount.

Step 2

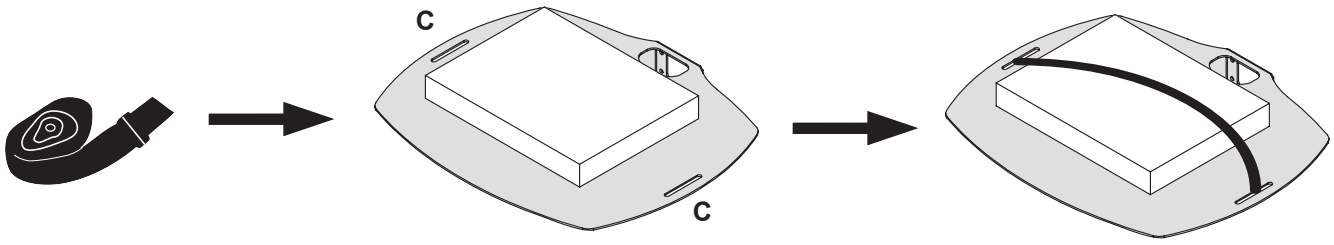


Use the M3 Allen wrench and one (1) M6 x 12mm set screw to tighten the large shelf assembly against the P-Series mount.

The set screw should go in the center screw hole of the large shelf adjustable bracket where the hooks are resting on the flange.

Using the Equipment Strap

Step 1



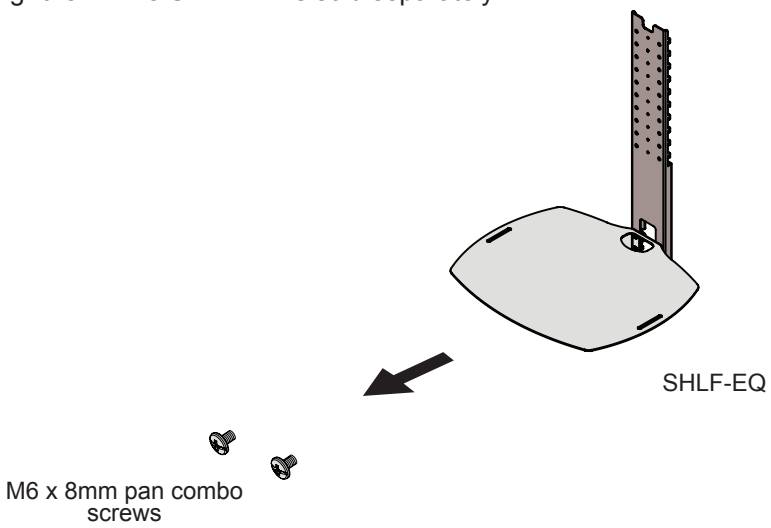
Adjustable bracket not shown.

Insert the equipment strap through the shelf's side slots (**C**) and use it to keep the video conferencing camera or other equipment safely in place.

Attaching Additional Shelves (Optional)

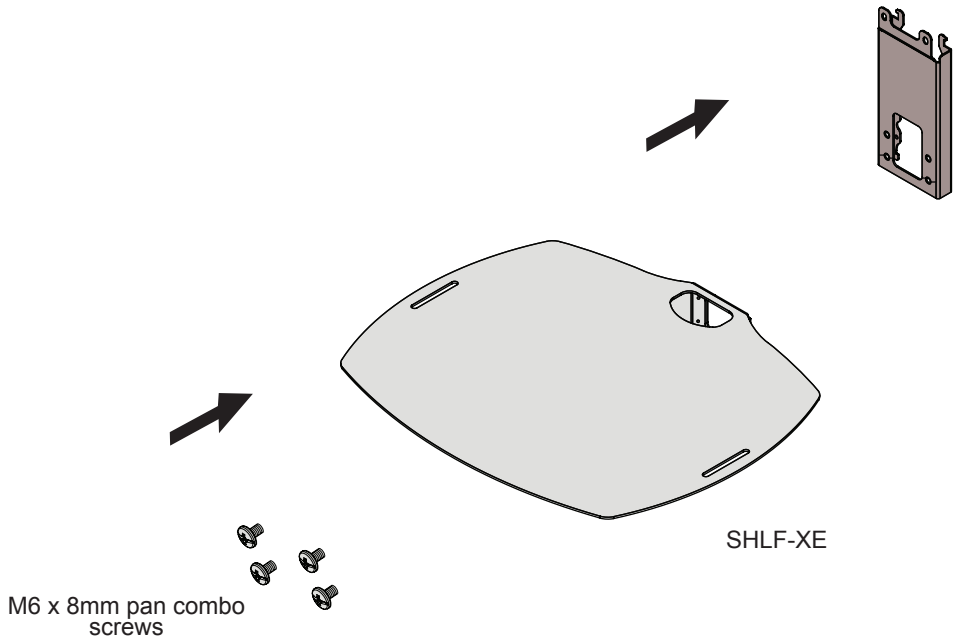
Step 1

You can attach up to two (2) additional large shelves (SHLF-XE) to the large shelf assembly by “daisy-chaining” them. The SHLF-XE is sold separately.



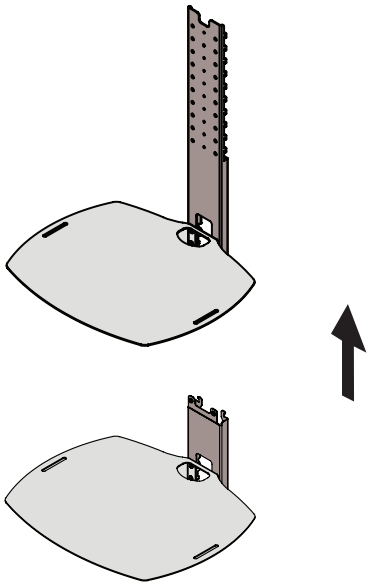
Remove the bottom two (2) M6 x 8mm pan combo screws from the first shelf in the large shelf assembly.

Step 2



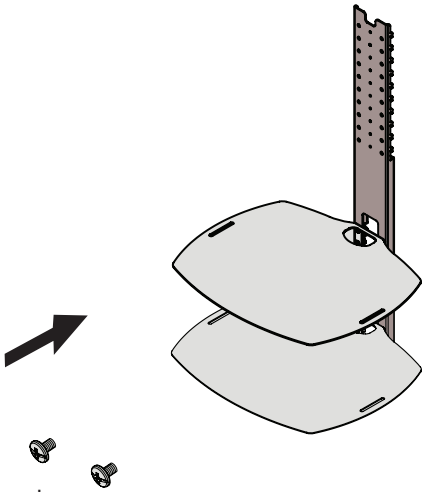
Use four (4) M6 x 8mm pan combo screws to fasten the additonal large shelf to the shelf extension bracket.

Step 3



Hook the additional shelf assembly to the bottom of the large shelf assembly.

Step 4



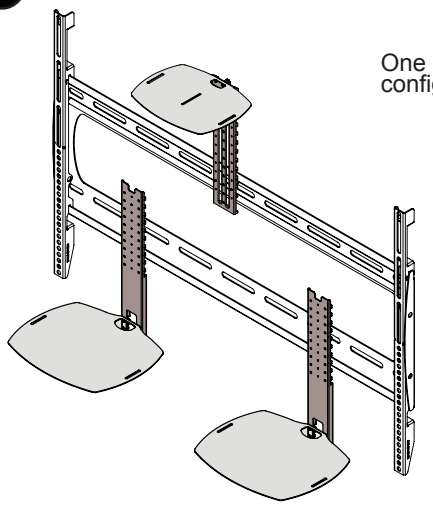
M6 x 8mm pan combo screws

Re-insert the bottom two (2) M6 x 8mm pan combo screws from Step 1 to fasten both assemblies together.

Step 5

Attach additional shelves by repeating Steps 1 to 4 (attach each additional shelf to the lowest shelf in the assembly).

Using Different Combos

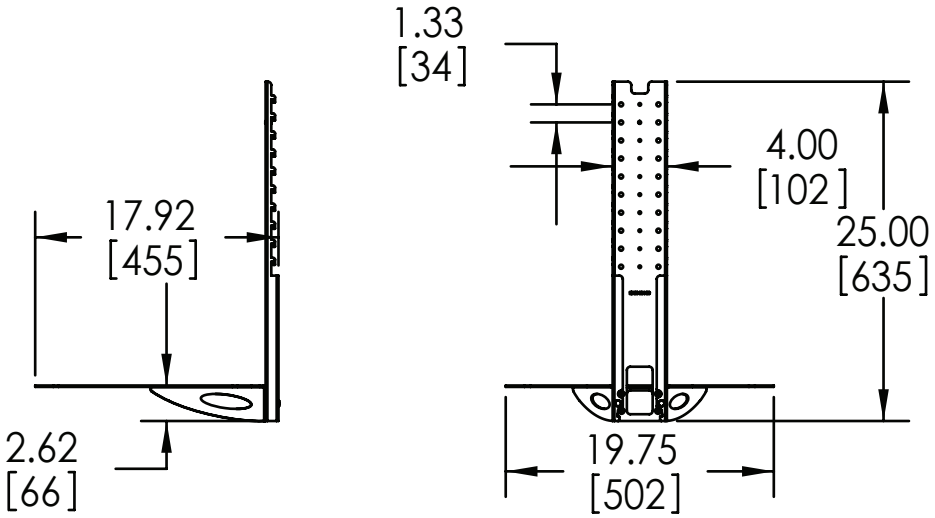


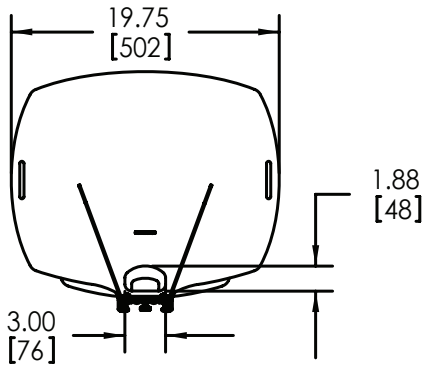
One example of a shelving system configuration.

Combine additional A/V shelf components in different configurations depending on your needs. Additional shelves (SHLF-VE, SHLF-VC, SHLF-XE) are not included.

Technical Specifications

All measurements are in inches [mm].





Warranty

PREMIER MOUNTS

LIMITED LIFETIME WARRANTY

What and Who is Covered by this Limited Warranty and for How Long

Premier Mounts warrants this product to be free from defects in material and workmanship for the lifetime of the original owner of this product. The limited warranty is valid only for the original purchaser of the product.

What Premier Mounts Will Do

At the sole option of Premier Mounts, Premier Mounts will repair or replace any product or product part that is defective. If Premier Mounts chooses to replace a defective product or part, a replacement product or part will be shipped to you at no charge, but you must pay any labor costs.

What is Not Covered; Limitations

PREMIER MOUNTS DISCLAIMS ANY LIABILITY FOR DAMAGE TO MOUNTS, ADAPTERS, DISPLAYS, PROJECTORS, OTHER PROPERTY, OR PERSONAL INJURY RESULTING, IN WHOLE OR IN PART, FROM IMPROPER INSTALLATION, MODIFICATION, USE OR MISUSE OF ITS PRODUCTS.

PREMIER MOUNTS DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. PREMIER MOUNTS IS NOT RESPONSIBLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO, INABILITY TO USE ITS PRODUCTS OR LABOR COSTS FOR REMOVING AND REPLACING DEFECTIVE PRODUCTS OR PARTS. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

What Customers Must Do for Limited Warranty Service

If you discover a problem that you think may be covered by the warranty you MUST REPORT it in writing to the address below within thirty (30) days. Proof of purchase (an original sales receipt) from the original consumer purchaser must accompany all warranty claims. Warranty claims must also include a description of the problem, the purchaser's name, address, and telephone number. General inquiries can be addressed to Premier Mounts Customer Service at 1-800-368-9700. Warranty claims will not be accepted over the phone or by fax.
